

As a property or business owner along the byway or on a super side trip

You Are Invited
to the

Snake River Canyon Scenic Byway

Showcasing the beauty and agricultural heritage of the Snake River Canyon

DEDICATION

The Snake River Canyon Scenic Byway is an agriculturally-based byway going through the heart of Canyon County. It begins at the north end of Canyon County near Parma and ends in Owyhee County by Walters Ferry, following the Snake River, with scenic overlooks and informational markers along the way. It is joined to both the Western Heritage Scenic Byway and the Payette River Scenic Bylaw to make one continuous loop through southwestern Idaho.

October 4, 6 pm

City of Greenleaf Byway Park
Hwy 19 (in town west of City Hall)

Come join us to unveil the new map boards and officially
open the Byway for business.

(Come learn about the byway, marketing opportunities for your byway business and more!)

Food, drink, and fun!!!
